 Poll Question

Why do you think examinees don't pass the RD exam?

# Typical examinees don't pass because they...

- Have gaps in knowledge/experience
- Couldn't stay motivated to put in the work
- Took exam before ready
- Didn't address weaknesses
- Focused too much on memorizing and not enough on understanding concepts
- Spent more time passive learning than active learning

 Poll Question

What is missing in RD exam prep offerings?

# Typical RD exam prep options..

- Have to be pieced together
- Don't address learning strategies and study planning
- May be a trap for passive learning
- Can cause overwhelm and lack of momentum
- Lack accountability
- No personal support besides expensive hourly tutoring

# Common Program FAQs

# What is the Study Smarter Method?

## The magic is in the method.

- Created by Bailey DeBarmore, PhD, RD
- Emphasizes active learning strategies
- Practice questions - the old method vs. the Study Smarter Method

# When is the best time to implement RD exam prep?

- Use study guides as rotation prep
- Build confidence for exam during program
- Flexible access time with the review session recordings
- Learn then do for critical thinking development
- Less overwhelm when you start studying after program
  - Depends on what their workload is during program

# Why is Pass Class different from other RD exam prep products?

- Addresses the major reasons that students fail the exam
- Gives a clear roadmap and evidence-based plan
- Prevents examinees from having to buy more tools or piece tools together
- Is personalized to their learning style and schedule
- Designed so it is never overwhelming
- Prevents procrastinating because they are empowered by method and plan
- Economical access to a tutor
- Improves their confidence mindset

## Do we work with Slingshot or can we use this as class material?

- We don't currently have a relationship with Slingshot, but are open to pursuing this.
- Programs have used their program fees budget to purchase.

## Are practice exams included?

400 practice questions

Mock exam coming in summer 2023 (not simulated)
